

## California Solar Initiative Program Residential Energy Efficiency Disclosure Agreement

**By installing all cost effective energy efficiency measures before installing a solar energy system, the owner/tenant can lower the overall system size and cost.**

The Host Customer must sign and date this form once completed. Electronically attach this form and a copy of the energy audit with your California Solar Initiative reservation application in PowerClerk.

☐

**CCSE**

Fill in the blanks.

I am the owner/tenant (**circle one**) of the home located at: \_\_\_\_\_ (address, city, state, zip code) and I am applying for incentives for the PV system to be installed on this building.

I have reviewed the building's available 12 months of energy usage from my utility company.  
(Contact your Program Administrator if you need assistance)

I used at least one of the following services or tools to learn about energy efficiency measures that could be installed at my home:

For Existing Residential Customers
